*Chris - Bianco - Music.com*

Hi, Welcome! This is *Chris Bianco*. I am a freelance, solo troubadour. I play acoustic-electric guitars and I sing a wealth of sweet original and popular music. I offer stand-up live solo performances for wedding & engagement celebrations; upscale dining and libations venues; and at *very* special private events of *all* sorts throughout the Western US, Canada, Hawaii, and occasionally other parts of the civilized world.

I perform a live show incorporating dozens of folk/pop/rock favorites from several decades that everyone recognizes and loves (covering artists such as *John Denver, Paul Simon, James Taylor, Dan Fogelberg, The Beatles, The Eagles, The Beach Boys, Jimmy Buffet..* and so many more). I also generously sprinkle in choice selections from my own *fourteen* original albums... Including my latest release - [Wedding Party](#).

I am self-contained & versatile; freelance & independent; responsible, professional, and classy. Please feel invited to contact me directly, or visit my [Gigmasters](#) or [Wedding Wire](#) booking services to inquire regarding bookings and availability. I'd love to perform at *your* very special event, and I'd love to hear from you.

Many Thanks! - *Chris*
